The following mini-arbitration procedures shall remain in effect until the parties implement the agreed upon BOA process and procedure or for the remainder of the MOU in the event that the parties are unable to agree upon such a BOA process and procedure.

- A. Only Grievances exclusively alleging a violation of Sections: 5.04, 7.01, 7.03, 8.04, 9.01, 9.02, 9.05, 9.07 B., 9.07 D., 10.01 G., 10.02 D., 10.07, 10.16, 11.01, 11.04, 11.05, 11.07, 11.10, 11.13, 12.05, 14.02, 14.06, 14.07, 15.03, 15.12 I., 16.01, 16.05, 17.01, 17.04, 17.05, 17.07, 17.08, 17.11 F., 19.04, 19.05, ~~19.06~~, 21.03, 23.01, 24.02, ~~24.04C~~, 24.06, 24.07, 26.02, of this MOU, and where the grievance has that have not been resolved at the first or second levels of review are subject to mini-arb.

CCPOA may appeal the grievance to mini-arb which shall operate under the following rules:

1. The mini-arb shall be held at the local worksite or other mutually agreed upon location.
2. The arbitrator shall be selected from the list of arbitrators agreed upon by the parties.
3. The arbitrator shall review and decide multiple grievances at a time. The mini-arbs will be held at least quarterly, as necessary, or when no less than eight (8) grievances under this section are pending review.

4. Only the grievant, and his/her local CCPOA Job Steward and no more than two (2) local management representatives may appear before the arbitrator to make an oral presentation. The arbitrator shall make his or her decision solely on the written record in the grievance, the grievance response(s), and any oral presentation made at the arbitration proceeding. The presentations shall be time-limited, consistent with the intent of this provision to hold multiple grievance reviews in a single day. Only the arbitrator may ask the other side questions. A Labor Relations Representatives may represent the State on any DJJ grievances pursuant to this section and up to one (1) an additional six (6) grievances in a twelve (12) month period. A CCPOA Field Representatives may represent up to an additional one (1) six (6) grievances in a twelve (12) month period. CCPOA Rank and File Vice-Presidents and the CCPOA Executive Vice-President may represent the grievant on an occasional basis related to specific need. If the use of CCPOA Rank and File Vice-Presidents or the CCPOA Executive Vice-President becomes excessive, this issue will be addressed by the Mini-Arbitration Committee.
5. The CCPOA Job Steward and the grievant(s) will attend the arbitration proceeding without loss of compensation. Upon giving reasonable advance notice, but no less than fourteen (14) days, the State shall accommodate a shift change request from a grievant and/or a representative who is scheduled to work first or third watch on the day of the mini-arb.
6. The arbitrator will issue a bench decision on each grievance. The decision of the arbitrator is final and binding, but as to the grievant and institution only. This means the decision shall have no precedential value whatsoever and neither party will seek to have it confirmed.
7. The arbitrator shall have no authority to add to, delete, or alter any provisions of this MOU, or any agreements supplementary thereto, but shall limit the decision only to the application of the express provisions of this MOU and limited to the facts and documents before the arbitrator. circumstances at hand. The arbitrator shall have no authority to substitute off the record, unwritten or informal agreements between current or past representatives of the parties for the language contained in these MOU provisions.
8. The arbitrator's cost of the mini-arb shall be borne by the loser of each case. Should there be a dispute as to who "lost" the case, the arbitrator shall have the authority to apportion the costs. If the parties settle the grievance prior to mini-arb, then the parties agree to split any arbitrator costs, unless mutually agreed otherwise.
9. The State and CCPOA agree that no attorneys shall be used in this mini-arb process. This includes anyone who has graduated from law school, except the grievant.
10. The parties are limited at the mini-arb to presenting only the facts, documents, and arguments presented during the lower levels of the grievance process. Supporting documents may be added after the second level response if said documents are obtained as a result of a written information request submitted prior to the second level response. At the conclusion of the second level grievance conference, for any grievance which has the potential of going to min-arb, the grievance package, including any supporting documentation, will be lettered, i.e., the first page is lettered "A", the second "B", etc. The parties will initial ~~the last~~ each page.

11. If during the second level grievance conference either party requests an extension of the second level response time limits to investigate the grievance, the parties will recess the grievance conference. If the grievance conference is recessed, the parties will sign a written waiver form recessing the grievance conference and establishing a date to continue the grievance conference. Time extensions are limited to one (1) and may not exceed fourteen (14) calendar days.

If the State refuses to recess the grievance conference, then CCPOA shall have fourteen (14) calendar days to issue a rebuttal to the second level grievance response. This rebuttal shall become part of the grievance package forwarded to the mini-arb. If CCPOA refuses to recess the grievance conference, then CCPOA shall not be allowed to rebut the second level grievance response.

12. If the grievance alleges violations of contract sections that are subject to the mini-arb process and contract sections that are not subject to the mini-arb process, the grievant must choose between either: (1) dropping withdrawing with prejudice and finality all of the contract sections subject to the mini-arb process and pursuing through the normal grievance process the contract sections not subject to the mini-arb process exclusively, or (2) dropping withdrawing with prejudice/finality all of the contract sections not subject to the mini-arb process and pursuing the grievance through the mini-arb process exclusively. This means an election to pursue a claim(s) through one arbitration process bars the adjudication of the claim(s) pursuant to the other arbitration process regardless of the alleged MOU section(s) alleged. The grievant must make this choice after the second level response.

13. When the decision is made by CCPOA to take the grievance to mini-arb, the parties at the local level will meet and number the pages of the grievance package, 1 of however many pages, 2 of however many pages, etc. The parties will initial the last ~~each~~ page.

14. If the second level grievance response contains or relies in part on information that was never discussed or raised in the second level grievance conference, CCPOA shall have fourteen (14) calendar days in which to add a rebuttal to the grievance package.

~~B.A.~~ By mutual agreement between DPA and CCPOA, grievances involving interpretations of other sections of the MOU not listed above may be referred to this process.

~~C.B.~~ The Mini-Arbitration Committee established January 2, 1998, will continue to meet on an as-needed basis.

~~D.C.~~ The mini-arb shall be requested by CCPOA sending a letter and the grievance package to CDCR, Labor Relations Office within sixty (60) calendar days of the second level response. If the request for mini-arb is not made within sixty (60) calendar days, the grievance shall be considered withdrawn and CCPOA may not proceed to arbitration. The Mini-Arbitration Committee may change the language of this paragraph D., if necessary.

#### A. Purpose and Policy

The parties hereto declare their joint purpose and policy to continue an organized, planned system of apprenticeship, conducted as a joint labor and management departmental undertaking. ### 10.02 Sick Leave

#### A. Sick Leave Accrual

1. **Full-Time Employees:** Employees shall receive eight (8) hours of sick leave credit on the first day of the monthly pay period following completion of a qualifying pay period (eleven [11] or more work days of service in a monthly pay period). The provisions of this paragraph (10.02 A.1.) do not apply to full-time 7k exempt Firefighters identified in Section 17.02.
2. **Part-Time Employees:** Part-time employee(s) shall earn, on a pro rata basis, the fractional part of eight (8) hours of credit for sick leave with pay on the first day of the monthly pay period following completion of each qualifying pay period (eleven [11] or more work days of service at their time base).
3. **PIEs:** Employees shall receive eight (8) hours of sick leave credit on the first day of the monthly pay period following completion of each qualifying pay period. The hours of paid employment in excess of one hundred sixty (160) hours in a monthly pay period shall not be counted or accumulated.

Notwithstanding any other section of this MOU, an Intermittent Employee shall only be permitted to use sick leave credits for approved sick leave which ~~(a) occurs during periods when they are pre-scheduled to work; or (b) coincides with a day that an employee on a rotational list is contacted to work. "Contacts" for work require that the employer initiate the exchange, and the exchange was "human-to-human" between a supervisor and the employee, as referenced in 26.01 C. 4.~~

4. **Multiple Positions (Under This Rule):**
  - a. An employee holding a position in addition to other full-time employment with the State shall not receive credit for sick leave with pay for service in the additional position.
  - b. Where an employee holds two (2) or more less than full-time positions, the time worked in each position shall be combined for purposes of computing credits for sick leave with pay, but such credits shall not exceed full-time employment credit.

#### B. Sick Leave Use

1. Approved sick leave means the necessary absence from duty of an employee because of:
  - a. Illness or injury.

- b. Illness or complications due to a pregnancy which prevent an employee from working.
  - c. Exposure to a contagious disease which is determined by a physician to require absence from work.
  - d. Dental, eye, and other physical or medical examination or treatment by a licensed practitioner.
  - e. Required attendance upon the employee's ill or injured mother, mother-in-law, father, father-in-law, wife, husband, daughter, son, sister, brother, or any person residing in the immediate household. Such absence shall be limited by the department head or designee to the time reasonably required for such care.
2. The employee is responsible to give the Department reasonable advance notice for the reasons cited in B.1. Employees are strongly urged to give at least two (2) hours advance notice prior to the start of the employee's duty shift, but under normal circumstances, reasonable advance notice will be considered one (1) hour. Should the employee be sick the night before his/her shift, and is reasonably certain he/she will not be able to go to work the following day, said employee must call in sick at the earliest possible time. The employee will personally contact the designated supervisor at the institution, camp, facility, or parole region to request sick leave usage.
3. The department head or designee shall approve use of sick leave credits only after having ascertained that the absence was for an authorized reason. If disapproved, the department head or designee must specifically state in writing the reason(s) for the disapproval.
- a. CDC Adult: The employee is responsible for submitting an accurate CDC 998A form to the designated supervisor on or before the third working day of the pay period following the pay period in which the sick leave was taken. An employee who fails to submit a CDC 998A by the third (3rd) working day will be notified in writing, advising the employee that he/she has fifteen (15) calendar days to submit the approved/disapproved CDC 998A to the Personnel Office. Employees who fail to submit the CDC 998A form within the fifteen (15) days shall be docked for their absence(s) and an accounts receivable date will be established. In the case of long-term sick leave absence, the employee is responsible for submitting the CDC 998A form to the designated supervisor, pursuant to the 998A Agreement (see Sideletter #4). The designated supervisor will provide the employee with a copy of the approved/disapproved CDC 998A form at the time of submission.

- b. ~~CYA DJJ:~~ The employee is responsible for submitting an STD 634 form to the designated supervisor ~~on the day of return to work or before the third working day of the pay period following the pay period in which the sick leave was taken as soon as possible after return to work.~~ In case of long-term sick leave absence, the employee is responsible for submitting the STD 634 form to the designated supervisor no later than the end of the pay period. ~~or as soon as possible after return to work.~~ The designated supervisor will provide the employee with a copy of the approved/disapproved STD 634 form at the time of submission.
4. An employee will receive a pay dock for approved sick leave time if the employee had no sick leave or other credits. If the employee has insufficient accrued sick leave credits, but has other leave credits the employee ~~shall~~ may be allowed to use those credits to cover the approved sick leave time.
5. Sick leave may be taken in fifteen (15) minute increments.

C. Sick Leave Verification

1. An acceptable "medical verification" for sick leave use is a document signed by a United States Licensed Physician, nurse practitioner, or other health care specialist/professional, competent within their scope of practice to make a medical evaluation on the employee's alleged/stated illness, injury or medical incapacity, and such person is making the evaluation while on duty in his/her respective employment relationship within a health care facility or medical practice. Unless requested at the time of approval, pre-scheduled and approved medical/dental appointments/treatments do not require medical verification.
2. Medical verification may also be required but only if required in advance ~~in the following kinds of circumstances:~~

At the time the sick call is received, medical verification may be requested in circumstances including but not limited to:

- a. An employee is unable to personally make the sick leave request to the designated supervisor.
- b. The sick leave requested falls on a date which the employee previously requested a form of leave covered by this MOU but was denied.
- c. An employee is sick for three (3) or more consecutive days.
- d. ~~Medical verification is always required~~ If an employee calls in sick on Thanksgiving Day, Christmas Day, or New Years Eve.
3. When a medical verification is required, the medical verification must provide the following information:

- a. The date the employee or the employee's family member is examined by a licensed physician or other health care specialist/professional;
  - b. The expected length of the employee's absence and his/her expected return to duty;
  - c. Whether ~~if~~ the employee is medically able to return to work; and
  - d. The list of restrictions (if any) including, if applicable, any impairment to the employee's ability to perform the duties of his or her classification due to medication or treatment.
4. The Appointing Authority designee will ensure the medical clearance verification is consistent with the employee's responsibility to perform all duties of his/her class. If the medical clearance verification is not consistent with the employee's responsibility to perform all duties of his/her class, the Appointing Authority designee shall inform the appropriate management personnel of the employee's condition and duty limitations.
5. An employee shall not be ~~requested~~ obligated to provide a medical verification after the fact. For example, if an employee calls in sick on the fifteenth (15th) of the month and a medical verification is not requested and then calls in sick on the sixteenth (16th) of the month and a medical verification is requested, the medical verification would be for the sixteenth (16th) only. This does not prohibit the Department from pursuing other administrative review or remedies if abuse is suspected.
6. If a returning employee is required to present medical clearance verification to the Appointing Authority designee, and the returning employee has a valid medical clearance verification from his/her physician allowing said employee to return to work and, with reasonable notice by the employee or upon institution order, the employee presents him/herself for medical clearance during normal business hours, Monday through Friday, the employee shall be allowed to return to paid status, but not use leave credits. If the employee does not have valid medical clearance verification from his/her physician allowing said employee to return to work and present him/herself for medical clearance by the Appointing Authority designee during normal business hours, Monday through Friday, the employee shall either continue on sick leave status or management approved leave credits until such time as clarifying medical documentation is obtained from the physician releasing the employee to work.
7. All medical information provided to the State shall be considered confidential. Under no circumstances will an employee be required to disclose the medical cause or nature of his or her, or his or her family member's, illness or injury to the State for sick leave approval.

- D. Employees shall not be denied the right to use sick leave or be subject to ~~any type of corrective or disciplinary action, or in any manner~~ discriminated against for using or attempting to exercise their right to use sick leave. ~~based solely on the amount or frequency of use.~~
- E. All other State laws, and DPA rules and ~~departmental policies~~ regarding sick leave shall remain in effect.
- F. Denial of sick leave shall not be appealed beyond Step 4 of the grievance procedure. The arbitrator may not rule on the adequacy or inadequacy of the medical verification provided.
- G. All provisions of this section shall apply unless they are in conflict with FMLA, CFRA, EIDL, IDL, ADA or catastrophic illness/injury.

The State employer will permit a reasonable number of CCPOA members off for use of release time bank time. Subject: Article 12: TRANSFER, SENIORITY, OVERTIME AND LAYOFF

### 12.04 Employee Requested Transfers Between Appointing Authorities

- A. The State has varying business needs to fill vacant positions by using existing eligible lists, involuntary transfers, reassignments or other selection methods. A part of these needs may be to fill a position for such reasons as balancing the work force or pre-announced special skills, abilities or aptitudes.

The parties acknowledge that the needs of the State must be given first priority when the State deems it necessary to fill a vacant position. The parties further acknowledge the varying employee desires to permanently transfer to another location, within the employee's department and classification, which the employee deems more desirable. Therefore, the following procedure is established to facilitate employee requests to transfer to a position within the employee's classification and department at another location.

- B. Employees desiring to transfer shall apply in writing in a manner prescribed by the State to the Appointing Authority of the location to which the employee desires to transfer. Such requests shall be to permanent positions in the same department within the employee's same classification. The employee's written requests shall be processed within thirty (30) days of submission and placed in seniority order with those of others who have similarly filed a request to the same position at the location. The Appointing Authority or designee shall provide the employee submitting a request for transfer with an acknowledgment of receipt of the transfer request. Employee requests shall be kept on file at the location through June 30 of each fiscal year or removed earlier at the request of the employee. At the request of the CCPOA Chapter President, the location of employee transfer files will be furnished to the Chapter President.

- C. The State agrees to fill vacancies in the CO, YCO, MTA and YCC classifications by either lateral transfers, list appointments, reinstatements, permanent full-time appointments from the academy, or offering full-time appointments from the academy, or offering full-time employment to PIEs. In the interest of facilitating lateral transfers, three (3) of every ten (10) vacancies filled in the CO, YCO, MTA and YCC classifications must be via lateral transfers, except in the event of a lateral transfer freeze. In order for the State to institute a lateral transfer freeze at a particular Institution/Facility, said Institution or Facility must have a 10% or higher vacancy rate with respect to the positions identified on the Post Assignment Schedule/Master Assignment Roster or DJJ Staff Schedule. This shall not preclude filling of vacancies at a higher ratio than specified. Offers to fill by lateral transfers will be made on a seniority basis consistent with B. above. A reconciliation of the lateral transfers will be made six (6) months after ratification of the MOU and every six (6) months thereafter with each local Chapter President and the Appointing Authority.

- D. When lateral transfer is the means being used to fill a vacant position, the most senior employee with a request to transfer on file at that location shall be transferred provided that (1) the employee is not currently under investigation for misbehavior which could lead to adverse action, (2) has not had an adverse action in the last three (3) years and (3) has not had an overall substandard performance evaluation in the preceding 12 months.
- E. A PIE may submit a lateral transfer package using the process described in this Article provided the employee has successfully completed probation, is not currently under investigation, and does not have a pending adverse action. Selection of PIEs is at the discretion of the Appointing Authority.
- F. If the State chooses to fill vacant positions by transfers, but has specified the need to fill positions based on special skills, abilities or aptitudes, paragraph C. and D. above need not apply.
- G. Those employees who obtained employee-requested transfer under the provisions of this section shall not be eligible to utilize the provisions of this section for a period of one (1) year from the effective date of such transfer unless the employee has demonstrated a hardship that did not exist at the time of the initial transfer.
- H. This procedure may be superseded in favor of an employee requesting a transfer based on a bona fide hardship. If the matter is contested, the Appointing Authority or designee shall explain the basis for the waiving of this section to CCPOA's local Chief Job Steward or designee and/or CCPOA's representative.
- I. Travel Time Allowance: Upon request, the State may authorize an employee to take a reasonable amount of vacation, PLP, CTO, or holiday time off between transfers from one (1) institution to another where the transfer requires the employee to move his/her residence. Such requests will not be unreasonably denied, by the receiving institution.

### 12.07 Personnel Preferred Post Assignments (PPPA) for Correctional Officers and MTA (CDC DMH)

#### A. METHODS

1. There shall be seventy percent (70%) of the qualifying CO and MTA (CDC/DMH) post assignments at each CDC Adult Institution assigned by seniority. These Personnel Preferred Post Assignments (PPPA) will be distributed among the watches and RDOs in the same proportion as their percentage of the total number of qualifying posts. The break point will be .6 of the total number of qualifying posts. For example: 32 jobs (70%= 22.4; 30%=9.6). Therefore, ten (10) jobs will be management assignments, twenty-two (22) jobs will be PPPA.
2. Time Frames for Implementation
  - a. All institutions will implement a continuous bid process as outlined in subsection E. (CONTINUOUS BID PROCESS)
  - ~~a. New implementation will follow the implementation time lines set forth in this procedure. However, if the implementation dates change, the time frames will continue to be adhered to.~~
  - ~~b. All institutions shall conduct a bid to incorporate changes of this procedure. For MTA (CDC/DMH) this process shall begin within thirty (30) days after ratification of this MOU. For Correctional Officers the bid process shall be conducted so that all job changes are effective no later than the first Monday of November 2002.~~
  - ~~c. b. Implementation for new institutions: Within eighteen (18) months of activation (receipt of inmates) all new institutions will begin the implementation process for PPPA.~~
3. Definitions

- a. Bid Period: Employees may bid as otherwise described in this agreement during the bid period. Each "bid period" shall be three calendar years ~~(except that the first bid period shall end December 31, 2004)~~. A Realignment of Posts process will be used at the outset of each new bid period.
- b. Realignment of Posts: A Realignment of Posts follows a re-determination by the Appointing Authority or designee and the local chapter representative about the number and specific posts which will be considered "qualifying posts" available for bid.
- c. Qualifying Post: Any authorized post listed on the Master Assignment Roster after it has been reconciled with the Post Assignment Schedule and the Governor's Budget, ~~except: The total post count equivalent to the Institution's Vacancy Plan (IVP).~~ The following posts may be are exempted from the PPPA bid process, but ~~will be included in the count for the purpose of establishing the 70/30 calculation:~~ (1) total number of established transportation posts at the CO level; (2) total number of Investigative Services Unit (ISU) posts at the CO level; and, ~~(3) total number of In-Service Training (IST)/Armory posts at the CO level.~~
  - (1) Camps shall retain their current agreements regarding post assignments.
- d. 70/30 Split (all posts except as noted in paragraph c above): Seventy (70%) percent represents the percentage of qualifying posts that shall be available for bid otherwise known as "Personnel Preferred Post Assignments" (PPPA). Thirty (30%) percent represents the percentage of qualifying posts that shall not be subject to bid. The representative number of PPPAs at each institution will be determined by establishing an equitable distribution of qualifying posts by area, watch and RDO. An "equitable distribution" is as close to a 70/30 representation in each of these areas, in keeping with operational needs. Upon completion of the 70/30 split, a reconciliation shall be completed to insure the institution's overall representation is within plus or minus two (2) positions.

#### 4. Bid Process

- a. PPPA will consist of two (2) processes. One process consists of the bid as outlined in subsection C. IMPLEMENTATION.
- b. The continuous bid process is outlined in subsection E. CONTINUOUS BID PROCESS. The continuous bid process will be for the purpose of filling PPPA vacancies on a continual basis as they arise throughout the bid period.

B. ELIGIBILITY

1. Participation in the PPPA system is limited to eligible employees. An eligible employee:
  - a. Must be a permanent, full-time CO or MTA (CDC/DMH). Apprentices are excluded.
  - b. Must be permanently assigned to and working at the institution. Eligible employees may participate only in their institution's PPPAs. There shall be no inter-institution bidding assignments by personal preference.  
Eligible employees who laterally transfer will be permitted to participate in the continuous bid process.
  - c. In order to participate and maintain the rights and privileges defined throughout this procedure, the employee must maintain an overall standard performance rating as identified in Section 9.01. In the case of a gender restrictive post, the otherwise eligible employee must be the appropriate gender for that post.
    - (1) Upon activation of a newly established institution, previous year employee performance evaluations will not be considered for the purposes of eligibility in the PPPA process.
  - d. An employee successfully bidding to a PPPA who does not meet the qualifications (firearms, side-handle baton, chemical agents) for such post, must meet all qualifications, specified in this procedure, prior to the date of assignment to the PPPA. If the employee is not qualified for the PPPA, on the initial date of assignment, the employee will be assigned at management's discretion and allowed to participate in the continuous bid process. The vacated PPPA will be subject to the continuous bid process.
    - (1) For Correctional Officers, management shall be responsible to ensure that training for all qualifications are available through In-Service Training. Employees shall be responsible for scheduling and attendance.
    - (2) If the failure to qualify is based upon unavailability of training, the employee will be placed in a non-qualifying post in the same watch, RDOs with similar start/stop times. The PPPA will temporarily revert to management until such time that the employee qualifies and is placed back into the PPPA.

- (3) Once the training has been provided, and if the employee qualifies, the employee shall be placed in the PPPA. If the employee is not successful in qualifying, they shall be assigned at management's discretion. The vacated PPPA shall be subject to the continuous bid process.
  - (4) In order to be retained in a PPPA armed post, employees must maintain current weapons qualification. Failure to maintain quarterly qualifications in compliance with departmental policy will result in the employee being assigned at management's discretion to an unarmed post. An otherwise eligible employee may participate in the continuous bid process. Removal of the employee does not preclude the employee from being subject to other action in accordance with departmental policy.
- e. For activation of a newly established institution, an employee may be precluded, in writing, from participating in the PPPA bid process to specific assignment areas as determined by the Appointing Authority. This preclusion must be based upon:
- (1) An employee who has an adverse personnel action which relates to the employee's job performance including, but not limited to:
    - (a) Inattentiveness on the job
    - (b) Insubordination
    - (c) Excessive force toward an inmate, ward, or parolee
  - (2) The preclusion will not be based upon an adverse personnel action for:
    - (a) Sick leave abuse, etc.
    - (b) Off-duty conduct, etc.
    - (c) The adverse personnel action must have occurred twelve (12) calendar months preceding the onset of the bid process (i.e., the third Monday in November).

An employee receiving a performance related adverse action that may have a greater impact related to a specific assignment area (i.e., Ad Seg, community crews, Security Housing Units, entrance gates, etc.), may be excluded by the Appointing Authority from bidding to the specific assignment area for one (1) bid period. (Refer to subsection H.14.)

- f. An otherwise eligible employee absent from the worksite during the bid process for such reasons as NDI, Workers' Compensation, leave of absence, annual military leave, etc., may participate in the PPPA bid process. Employees who are successful in obtaining a bid post must assume the duties of such post within one year of posting of the bid results. Until such time as the employee occupies the post, it temporarily reverts to the conditional bid process. In the event the employee is unable to assume the duties within one year, the employee will be placed in a post at management's discretion.
- g. Failure of the employee to complete a PPPA bid will result in placing the employee in a post, at management's discretion, without regard to watch, RDOs or start/stop times.

### C. IMPLEMENTATION

- 1. At the first meeting of the local Joint Labor/Management Committee, the total number of institutional posts available for PPPA shall be seventy percent (70%) of the total authorized posts listed on the Master Assignment Roster, as defined in subsection A.3.c. The remaining thirty percent (30%) shall be designated as management posts.
  - a. November
    - (1) On the first Monday in November the Personnel Assignment Office at each institution will post an updated seniority roster. Employees alleging errors in the computation of seniority dates may file a complaint to the Personnel Assignment Lieutenant. If unresolved, the employee may submit to the Appointing Authority for second level of review with resolution required within fourteen (14) days of the posting of the seniority roster. The second level shall be the final level of review in the complaint process. Errors in favor of the employee will result in the adjustment of the employee's seniority date at their institution.

  - (b) The most senior employee will be permitted to select the vacation slots of the employee's choosing for the duration of the bid period. The second most senior person will be permitted to select vacation slots from those remaining, etc.

- (c) In the event a vacation is canceled, the PPPA VR employee will replace the employee who is substituted for the original occupant.
  - (d) In the event a cancellation is not filled or a vacation slot is not available, the PPPA VR employee will be assigned at management's discretion until the employee's next scheduled vacation coverage.
- (11) Eligible employees may bid on any number of PPPAs.

- b. All assignment for those who were successful in achieving an available PPPA, the results will be posted by the fourth Monday of each month. All job changes will have an effective date of not more than fourteen (14) calendar days from the date of the posting results.
- c. This posting and bid "window" will be a minimum of ten (10) calendar days, with no bids being accepted after the close of business on the second Friday after the initial posting.
- d. Subsequent to the initial bid, an otherwise eligible officer may participate in the continuous bid process up to five times during the bid period. Bids due to deactivations or changes to a post's RDOs or start/stop times shall not count towards this cap. Bids due to removal for cause, 10 percent rule, performance evaluations or adverse actions shall only be counted against the cap for a maximum of two bids.

F. CONDITIONAL BIDS

The Conditional Bid Process will be the process in which PPPAs are filled on a temporary basis. Once it is determined that a PPPA could be temporarily vacant for more than thirty (30) calendar days, the PPPA will be posted for a "conditional bid". The conditional bid would only be in effect until the original bidder returns to assume the PPPA within the following time frames. An employee displaced from a conditional bid post may participate in the continuous bid process, or will be assigned at management's discretion without regard to watch, RDOs, or start/stop times:

1. All vacancies with the exception of Military Leave or Union Officers:

These employees would be subject to a one (1) year time limitation before the conditional status of the post expires. The employee in the job could remain in said post. The Appointing Authority can extend this time on a case by case basis.

2. Military Leave:

In the event an employee is ordered to active military duty, these employees would be subject to length of the bid period before the conditional status expires. The employee in the job could remain in said post. The Appointing Authority can extend this time on a case by case basis.

3. Union Officers:

All employees subject to being placed in to a post utilizing "super seniority" will submit a bid form based upon their seniority. Once this process has been completed Union Officials who are designated by CCPOA to fill Chapter President/Chief Job Steward posts based upon "super seniority" will be assigned to those designated posts upon their request. Should a union official assume the designated post utilizing "super seniority", they would remain in said job until he/she is un-elected or the Chapter President designates a different Chief Job Steward. At this time, the employee would return to the position originally bid by their seniority. During the time that the employee is in a post based upon "super seniority", their seniority bid post will be offered as a conditional bid subject to the length of the bid period.

4. Gender Restricted Posts

In the event that there are gender restrictive posts unfilled, management will make appropriate adjustments in the post duties to accommodate the employee that bids to a gender restrictive posts.

G. RE-EVALUATION

~~On or about June 30, 2004 and no later than July 31, 2004, or upon request of either party, the Joint Labor/Management Committee will be convened to discuss and evaluate the processes and parameters established for the Continuous and Conditional bid processes as defined in sections E and F. The Joint Labor/Management Committee may make any adjustment to the process deemed necessary prior to next bid period.~~

H. MAINTENANCE

After the initial PPAs have been made, the following steps will be adhered to regarding maintenance of the process:

1. If a PPA becomes vacant, the PPA will be filled through the continuous bid process. Unless specifically authorized by the Bargaining Unit 6 MOU these procedures or local mutual agreement, the designation of a particular post as a PPA cannot be altered in any fashion without fulfilling the notice requirements of Section 27.01 of the Unit 6 MOU.

2. Employees displaced from a PPPA as a result of a deactivation will be placed in an assignment with the same RDOs if available, and substantially similar start/stop times.
3. Upon activation, all activated posts will be subject to subsection A. METHODS, of this procedure. Newly designated PPPAs will be subject to the continuous bid process.
4. Upon written request of an employee to vacate a PPPA, management may, at its discretion, approve the employee's movement to a management position. Such movement will be without regard to watch, RDOs or start/stop times.
5. An employee shall be permitted to rebid to the same PPPA. Should the employee be successful in their bid attempt, the employee will be subject to all provisions of this procedure as if assigned for the first time.
6. Employees shall not be permitted to remain in any PPPA in a high stress area, commensurate with the provisions outlined in DOM Section 33010.30.2, unless exempted by the Appointing Authority. The employee may rebid for a PPPA in a high stress area after one (1) year in a non high stress assignment.
7. If after the bid process has occurred the RDOs and start/stop times attached to a post are significantly changed, the affected employee may choose to remain in the post; and/or participate in the continuous bid process.
8. An employee may not be removed from a PPPA based upon the issuance of a LOI.
9. An employee may be temporarily removed from a PPPA pending a personnel investigation/EEO investigation, but will be assigned to substantially similar start/stop times and RDOs. Once the investigation has been concluded and if the charges have not been substantiated, the employees may be returned to their PPPA.
10. Any PPPA not bid during the bid period by an eligible employee shall temporarily revert to management, and be subject to the continuous bid process.
11. For purposes of expressing a personnel preference, the Chapter President/Chief Job Steward(s) shall be given "super" seniority in order to select a PPPA. When an employee is removed from his/her position as a Chief Job Steward they will be subject to the guidelines of the Conditional Bid Process.
12. Upon completion of the Apprenticeship period, an otherwise eligible employee, may participate in the PPPA continuous bid process.

13. Unless otherwise allowed by this procedure, once an employee has successfully been assigned to a PPPA, the employee may only be moved involuntarily for cause. As used in this context, cause is NOT interpreted as adverse in nature or substandard for purposes of a performance appraisal. The supervisor must document the specific reasons for removing the employee from the PPPA and provide a copy to the employee. The employee must then be placed in an assignment with the same RDOs and substantially similar start/ stop times. The vacated PPPA will be subject to the continuous bid process. If the employee disagrees with the reasons for the removal from the PPPA, the employee can grieve the change, within twenty-one (21) calendar days of notification, directly to the Appointing Authority. This grievance must be heard, and a written response provided, by the Appointing Authority within fourteen (14) calendar days. The grievance may not be appealed beyond the Appointing Authority. The grievance shall not postpone any such removal for cause.
14. If an employee is to be removed from a PPPA, as a result of an adverse action, the removal will be upon the effective date of the adverse action related to job performance (upon the conclusion of the *Skelly* hearing process and/or time frames associated with that process). Such movement will be to the same watch, without regard to RDOs or start/stop times. The employee will not be eligible to participate in the PPPA process for one (1) year period. The vacated PPPA will be subject to the continuous bid process. The Appointing Authority may exclude the employee from bidding to a specific assignment area for the remainder of the bid period and subsequent bid period.
15. In reference to subsection B.1.c., an employee may be removed from the PPPA upon receipt of the final copy of a substandard performance evaluation. Such movement will be to a post with substantially similar start/stop times. The vacated PPPA will revert to the continuous bid process. The employee will not be permitted to participate in the PPPA process for a one (1) year period.
16. An employee who is in a PPPA post may be assigned alternative duties as necessary, not normally to exceed 4 hours of their shift except in an emergency i.e. incident or aftermath of an incident or during a lockdown/modified program.

I. Gender Restrictive Posts

The filling of a gender restrictive post for proposes of overtime, vacation/holiday relief, military leave or other temporary basis will be made regardless of gender. Management will adjust the gender restrictive post's duties as necessary.

J. DISPUTES

All disputes concerning PPPA issues, that are unable to be resolved at the local level shall be directed to the Joint Labor/Management Committee for final resolution, as the final level of review. The Joint Labor/Management Committee shall be comprised with equal representation of three (3) persons appointed by the ~~Director~~ Secretary of Corrections CDCR and CCPOA, respectively. Disputes will be resolved by majority vote.

K. REALIGNMENT OF 70/30 SPLIT & SUBSEQUENT REBID

Employees who work four (4) or more hours of a scheduled shift on either a Saturday or a Sunday, and who are listed in the class above, shall receive 65 cents pay differential per hour for their scheduled weekend work. ~~This will be an additional 15 cents per hour to any other shift differential already paid, and 65 cents per hour for second watch employees.~~

Effective July 1, 2007, weekend shift differential will increase from 65 cents per hour to 90 cents per hour.

Effective July 1, 2008, weekend shift differential will increase from 90 cents per hour to \$1.25 per hour.

Weekend shift differentials are not to be combined with night shift differential. If an employee is currently receiving night shift differential, he/she is only entitled to the additional amount up to the total weekend differential shift amount.

The administration of this program is the sole responsibility and within the sole discretion of CDCR.

- (1) The State agrees to provide Bargaining Unit 6 employees a recruitment amount of \$2000 dollars for each candidate recruited who successfully completes the CDCR Peace Officer Academy as a Correctional Officer or Youth Correctional Officer.

- (3) Any amount received pursuant to this program shall not be considered as compensation for purposes of retirement contributions.

- (6) The Department will evaluate this pilot program to determine its effectiveness and is subject to termination at the Department's discretion. If the Department chooses to terminate this program, a 30-day advance notice to the employees is required informing of the discontinuation of the pilot program.

Subject: ARTICLE 24: ~~CYA~~ DJJ YOUTH CORRECTIONAL COUNSELORS (YCC) & YOUTH CORRECTIONAL OFFICERS (YCO)

### **24.04 ~~CYA~~ Staffing/Ward Population**

~~CYA~~ agrees that institutional population will be distributed and balanced in a manner that will provide for optimum staff and ward safety while maintaining a full range of program services given operational needs and constraints. For purposes of counting posts, the first watch YCO(s) do/does not count as a post and SYCCs, absent regular day off relief, are considered in post. However, effective July 1, 2002 and continuing each July 1 for the life of the MOU, the ~~CYA~~ agrees to phase in the equivalent of 56 YCC's (this includes YCO's and Clinic living Units) PY's for the purpose of adding SYCC's (this includes Clinic living unit Sergeants) Regular Day Off (RDO) relief into the posting pattern. The 56 PY's are in addition to any existing SYCC's RDO relief. ~~CYA~~ agrees to phase in the SYCC's RDO relief in equal numbers with priority given in the following order: Open Dorm Living Units, SMP's, Clinics, Drug Programs, Single Room Living Units, all other programs. For the purpose of counting posts, as the SYCC's RDO relief is activated, it shall be considered part of the posting pattern.

A. ~~CYA~~ agrees that open dorms shall be staffed in the following manner:

POPULATION	OPEN DORM LIVING UNITS
50 (§12.08(c): 46 – 55)	5 Post
60 (§12.08(c): 56 – 65)	6 Post
70 (§12.08(c): 66 – 75)	6 Post
80 (§12.08(c): 76 – 85)	7 Post
90 (§12.08(c): 86 – 95)	8 Post
100 (§12.08(c): 96 – 105)	9 Post

B. ~~The Youth Authority~~ agrees that housing units containing individual rooms shall be staffed in the following manner:

POPULATION	SINGLE ROOM LIVING UNITS
50 (§12.08(c): 46 – 55)	4 Post
60 (§12.08(c): 56 – 65)	5 Post
70 (§12.08(c): 66 – 75)	6 Post
80 (§12.08(c): 76 – 85)	7 Post
90 (§12.08(c): 86 – 95)	7 Post

POPULATION	SINGLE ROOM LIVING UNITS
100 (§12.08(c): 96 – 105)	8 Post

- ~~C. In order to enhance safety, CYA agrees to place wards on living units in a manner which maximizes YCC posting patterns and is based on the wards age and individual program needs. To this extent, management agrees not to assign incoming wards to a unit that is at the break point of 65 in open dorms and 85 in single rooms until all units of like age and/or programming are at the same break point. However, should a ward pose such a safety concern, such as, a threat or/and assault on staff or a safety concern to other wards or self, management may place such a ward(s) in a manner, which is safer and more secure for staff and wards. It is not the intent of the Department to contravene A. and B. above. CYA will not use "sleepers," "wards in transition," "contract wards" or any other device to artificially lower the population on any living unit. To this end to ensure harmonious labor relations, the CYA agrees, if so requested by the local Chapter President, that the Daily Movement Sheet as well as any other population, movement justification and/or ward accountability documents(s) shall be provided (in a timely manner), to satisfy that the ward placement and movement is being accomplished to enhance safety and is not being done in an arbitrary and or capricious manner. Grievances filed by CCPOA citing that wards are being placed in an arbitrary and/or capricious manner may be elevated through the mini-arbitration process. When CYA lists a ward on a living unit roster, that ward is on the living unit population for purposes of YCC posting. Wards on court furlough statues are not on living unit rosters for purposes of this section. For living unit count increases beyond those illustrated within 24.04 A and 24.04 B, the methodology of increases by increments of ten (10) shall be continued for the purposes of adding additional YCC/YCO Post(s) to relevant units(s).~~
- ~~D. CYA agrees to notice and Meet and Confer with CCPOA over the impact of overcrowding as it relates to the utilization of nontraditional living areas for the housing of wards. This will also include meeting and conferring over the impact of overcrowding when any housing unit experiences overcrowding of one hundred ninety percent (190%) or more.~~
- ~~E. If management violates this section, the employee(s) on the overtime by seniority list who was/were eligible for the post assignment(s) will be awarded six (6) hours of overtime (nine [9] hours pay).~~
- ~~F. CYA agrees that the minimum staffing will be 5 posts for an Open Dorm Living Unit and 4 posts for Single Room Living Unit. In the event that the Department of Finance or the Legislature impose a significant budget reduction, CYA retains the right to modify the staffing levels described in this section and will provide appropriate notice to CCPOA and will Meet and Confer with CCPOA.~~
- ~~G. CYA agrees to Meet and Confer with CCPOA within ninety (90) days of the ratification of this MOU to establish post patterns for all staff assigned to institution-based camps. The scope of this Meet and Confer shall also include post assignment schedules, post orders, YCC caseload assignments and PIE scheduling. (See Appendix Item #12) It is recognized that a committee is currently evaluating the staffing patterns for the living units. Should that committee recommendations impact this section, the parties agree to re-open this section.~~

#### **APPENDIX ITEM #11 — Addendum To Section 24.04**

~~CCPOA and the State (in this case by and through CYA) have agreed to settle five (5) grievances.~~

~~Those grievances are CCPOA ARB No. 30186 (DPA No. 90-3-06-0213), CCPOA ARB No. 30282 (DPA No. 93-06-0359), CCPOA ARB No. 30337 (DPA No. 96-06-0485), CCPOA ARB No. 30265 (DPA 93-06-0358) and CCPOA ARB No. 11900 (DPA No. Unknown). The parties enter this Settlement Agreement in the interest of labor relations and the saving of time, energy and legal costs.~~

~~The agreement of the parties is as follows:~~

- ~~1. The parties will immediately comply with and enforce Section 12.08 with the text described in Attachment A, on a statewide basis.~~
- ~~2. This Agreement will award liquidated damages for any future violations.~~
- ~~3. The term of this Agreement is from the moment it is signed by the attorneys for each party through June 30, 1996, or expiration of the successor Memorandum of Understanding to the 1992-1995 Memorandum of Understanding, whichever occurs later. Attachment A is hereby included as a "TA" in the current MOU negotiation process.~~
- ~~4. The parties recognize the difficulty in implementing a staffing agreement (posting formula) which was not incorporated into previous MOUs. The parties will meet at Ventura to implement this agreement within seven (7) days from the moment of signing this agreement by the attorneys for the parties.~~
- ~~5. The text of the new Section 12.08\* is attached hereto as Attachment A and hereby incorporated herein by reference.~~
- ~~6. Immediately upon signing of this Agreement, all outstanding grievances citing 12.08\* YCC posting violations arising from any previous MOU shall be returned to a third level grievance conference upon discovery by the parties. The parties agree that requests for 12.08\* YCC posting shall have been resolved by this Agreement. Other contract violations or subsequent remedies sought by the grievant shall be addressed at this conference.~~

~~\_\_\_\_\_(Refer to 1992-95 MOU)~~

#### **SIDELETTER #16 REGARDING CYA LIVING UNIT STAFFING**

Management agrees to realign the vacation and holiday relief to more correctly reflect the relief tied to the YCC posts. Management agrees to submit a Budget Change Proposal requesting additional positions in order to eliminate the supervisor from the posting pattern for the living unit.

## 24.05 Post and Bid by Seniority for DJJ YCCs Preferred Watch/Regular Days Off by Seniority

### A. Shift Assignments by Seniority (Watch/Regular Days Off Preference):

There shall be seventy percent (70%) of the Youth Correctional Counselor (YCC) watch and Regular Day Off (RDO) assignments in the CDCR's Division of Juvenile Justice (DJJ) assigned according to seniority at each facility. Employee participation in the watch/RDO preference selection process is voluntary. For purposes of this section, the term "assignment" is synonymous with the term "position."

### Watch and RDO Assignments by Seniority:

1. Upon mutually agreed upon dates, CDCR management and the CCPOA will conduct a series of planning and implementation meetings in Sacramento to discuss the watch/RDO process.
2. Within ninety (90) days of ratification of this MOU, seventy percent (70%) of the YCC RDO assignments on each watch at each facility shall be assigned on a seniority basis, excluding any camp, community correctional facility, parole region, or headquarters division and thirty percent (30%) shall be assigned at CDCR management's discretion.
3. This section is limited to YCCs with permanent, full-time status who are permanently assigned to and working at a facility. Eligible employees may participate only in their facility's watch/RDO preference selection process. Apprentices are excluded from the rights and privileges of this section.
4. Implementation Phase
  - a) On each watch, seventy percent (70%) of all watch/RDO assignments will be filled on a seniority basis. CDCR management at each facility, in conjunction with the Local CCPOA Chapter President, will calculate this number.
  - b) Seniority Scores shall be posted at a location to be determined and communicated by the Superintendent.
  - c) The standard forms and procedures for assignment of seniority watch/RDO's will be discussed in the planning and implementation meetings in Sacramento.
  - d) Failure of an employee to complete a watch/RDO preference will result in the employee being assigned at CDCR management's discretion without regard to watch, RDOs or start/stop times. This assignment, however, shall not count towards CDCR's 30%.

- e) The initial watch/RDO assignments will be published by and available at the facility.

## 2. Maintenance Phase

After the initial watch/RDO assignments have been made, the following steps will be adhered to regarding maintenance of the system:

- a) In order to participate in and maintain preference rights and privileges under this section, the employee must maintain standard or better over-all performance ratings, and be free from Adverse Personnel Actions for the preceding three (3) years, unless a specific exemption is made by the appointing power.
- b) An otherwise eligible employee absent from the worksite during the preference selection process for such reasons as NDI, Workers' Compensation, leave of absence, annual military leave, etc., may participate in the process. Employees who are successful in obtaining a watch/RDO assignment must assume the duties of such watch/RDO within one (1) year of the posting of the preference selection results. Until such time as the employee occupies the watch/RDO assignment, it temporarily reverts to the conditional bid process.

In the event the employee is unable to assume the duties of the watch/RDO assignment within one (1) year, the employee will be assigned at CDCR management's discretion. This assignment, however, shall not count towards CDCR's 30%.

- c) Submissions for watch/RDO preference will be conducted on a continual basis in conjunction with 70/30 watch/RDO preference requests.
- d) Upon completion of the apprenticeship period, an otherwise eligible employee may submit, in writing, his/her seniority watch/RDO preference request as seniority watch/RDO's become vacant. The most senior, eligible, employee requesting the seniority watch/RDO shall be assigned to it. Once assigned, the employee shall remain in that watch/RDO until the next watch/RDO bid.
- e) Nothing in this section abridges CDCR management's right to determine if an employee possesses the requisite knowledge, skills, abilities and other necessary and desirable qualifications for an assignment.
- f) If for some reason other than specified above, it becomes necessary to job change an employee who has exercised his/her watch/RDO preference, that employee shall be job changed to a new position possessing the same RDOs on the same watch.
- g) Assigned RDOs will not normally be realigned. If RDO realignment becomes necessary based upon an operational need, CDCR management will meet and discuss any potential changes with CCPOA prior to implementation of such realignment. A realignment of watch/RDO preference requests may be conducted at any time, however, upon mutual agreement of the Superintendent and the Local CCPOA Chapter President.

- h) For purposes of expressing an watch/RDO preference assignment, the Chief Job Steward shall be given "super" seniority in order to select an assignment with Saturdays and Sundays off, if he/she so chooses.

3. Challenging Seniority Dates

- a) Employees alleging seniority scores computed in error shall submit the complaint to the Superintendent or his/her designee for resolution within fifteen (15) calendar days of the posting of seniority scores. The Superintendent's or his/her designee's decision shall be final.
- b) Errors in the posting of the seniority scores pursuant to subsection A(4)(b) above will result in the adjustment of the employee's seniority score at his/her facility. If the timing is such that selections and assignments have been made, the employee shall have a right to his/her preferred watch/RDO selection, if the corrected seniority score results in that watch/RDO placement.
- c) Placement of an employee in a watch/RDO assignment due to the discovery and correction of a seniority score shall not be grievable by the employee being replaced. However, that employee will go back on the waiting list for the next available watch/RDO slot matching his/her preference request.

4. Disputes

All disputes concerning the watch/RDO preference selection process that are unable to be resolved at the local level shall be directed to the Joint Labor/Management Committee for final resolution, as the final level of review. The Joint Labor/Management Committee shall be comprised with equal representation of three (3) persons appointed by the CDCR Secretary and CCPOA, respectively. Disputes will be resolved by majority vote.

- ~~A. There shall be seventy percent (70%) of the YCC assignments in GYA allotted according to seniority. Once a YCC successfully bids for a seniority assignment, he/she shall not be eligible to bid again for a twelve (12) month period. An employee who bids to a lock-up unit cannot remain longer than two (2) years without a management waiver. Staff bidding to the Intensive Treatment Programs, Sex Offender Programs (SOP), and Special Counseling Programs (SCP), shall make a commitment of at least two years.~~
- ~~B. In order to remain in the shift assignment of choice, the senior employee must maintain a satisfactory level of performance.~~
- ~~— If there is no interest in the vacant "seniority" shift assignment, management shall fill the assignment by existing rules, policies, and practices. For those shift assignments retained by management, existing rules, policies, and practices, with regard to filling vacancies, shall remain in effect.~~
- ~~— Management shall have the discretion to review and re-designate the selected shift assignments. Nothing in this section shall diminish management's right to carry out departmental goals and objectives nor interfere with management's rights to meet operational needs in making shift assignments. The afore-stated will not be done in an arbitrary or capricious manner.~~

- ~~\_\_\_\_\_ CYA agrees not to alter existing "day off" patterns, unless the Chapter President and the Appointing Authority mutually agree to do so.~~
- C. ~~\_\_\_\_\_ If the local CCPOA Chief Job Steward is a YCC, the Department will hold one (1) seniority second watch assignment with Saturdays and Sundays off vacant for that Chief Job Steward or the Chief Job Steward may use "super seniority" to bid upon any available post. In the event the Chief Job Steward uses "super seniority" to bid upon an available post, the second watch assignment with Saturdays and Sundays off held vacant will revert to conditional bid.~~
- D. ~~\_\_\_\_\_ When an employee requests, local management may approve an exemption to the time frames in paragraph A. above. This will only be done on an exception basis.~~
- E. ~~\_\_\_\_\_ In the event the employer has a legitimate reason to change a seniority bid, the following will occur:~~
1. ~~\_\_\_\_\_ The local Chief Job Steward and the impacted employee must be notified in writing prior to the change as to the specific reasons for the change.~~
  2. ~~\_\_\_\_\_ The impacted employee may either: (a) remain in the position, (b) bid to a vacant seniority bid position, or (c) request placement and be placed in a management position with the same RDOs and substantially similar start and stop times as the employee's original bid position. In this latter case, the employee may not remain in the management position longer than twelve (12) months without prior management approval.~~
- F. ~~\_\_\_\_\_ No later than April 1, 2002, all facilities with the ITP, SOP, SCP units will have completed the post and bid implementation process for YCCs.~~

Subject: ARTICLE 27: APPLICATION AND DURATION

### 27.01 Entire Agreement

- A. This Agreement sets forth the full and entire understanding of the parties regarding the matters contained herein and supersedes and cancels any and all (1) other prior or existing understandings or agreements by or between the parties, whether formal or informal regarding any such matters are hereby superseded and (2) previous articulations, understandings, interpretations and/or applications of Section 27.01 or its predecessors. Except as expressly provided in this Agreement, it is agreed and understood that each party to this Agreement voluntarily waives its rights to negotiate with respect to any matter raised in negotiations or covered in this Agreement, for the duration of the Agreement.

With respect to other matters within scope of negotiations, negotiations may be required during the term of this Agreement as provided in Subsection B. below.

- B. The parties agree that the provisions of this subsection shall apply only to matters which are not covered in this Agreement.

The parties recognize that during the term of this Agreement, it may be necessary for the State to make changes in areas within the scope of negotiations. Where the State finds it necessary to make such changes, the State shall notify CCPOA of the proposed change at least thirty (30) days prior to its scheduled proposed implementation date.

The parties shall undertake negotiations regarding the impact of such changes on the employees in Unit 6 where all ~~three (3)~~ four (4) of the following exist:

1. Where such changes would affect the working conditions of a significant number of employees in Unit 6;
2. Where the subject matter of the change is within scope of representation pursuant to the Ralph C. Dills Act; and
3. Where CCPOA timely requests in writing to negotiate with the State within fifteen (15) calendar days of the postmark or fax transmittal date of the State's notice of implementation; and
4. Where CCPOA's timely, written request to negotiate identifies that subsections B(1) and (2) above are satisfied.

Failure on the part of CCPOA to request to negotiate within this time period shall (1) constitute a waiver of CCPOA's right to negotiate prior to implementation, (2) relieve the State of any such bargaining obligation and (3) entitle the State to implement the change(s) as noticed.

~~Any agreement resulting from such negotiations shall be executed in writing and shall become an addendum to this Agreement. Agreements reached as a result of this section are neither arbitrable nor zipped into this MOU. Consistent with this section, these agreements may be modified to meet the operational needs of the Departments as determined by the State.~~

All agreements negotiated prior to the effective date of this MOU pursuant to the Entire Agreement clause of previous MOUs (including 27.01/19.01 or their predecessors) or the Ralph C. Dills Act and all stipulated awards, whether confirmed or not, are no longer part of this MOU and are considered non-arbitrable policies that have been unzipped in their entirety.

- C<sup>1</sup>. Once the State has noticed CCPOA pursuant to the Entire Agreement clause of this MOU (Section 27.04) and has fulfilled any reasonable CCPOA timely has requested to negotiate within fifteen (15) calendar days of the postmark or fax transmittal date of the State's notice of implementation, for information, which is relevant to the issue noticed, the State and CCPOA agree to mutually engage in good faith bargaining for at least a thirty (30) day the period of time remaining before the State's noticed implementation date. This, in part, means each side will Meet and Confer as often as necessary to potentially reach agreement. Both sides agree to work extended hours if necessary. If after the expiration of the thirty (30) day calendar period of time remaining before the State's noticed implementation date, the parties have failed to come to an agreement, the State may unilaterally implement the proposed change, including any items tentatively agreed upon up to that point in bargaining, without engaging in the Dills Act impasse procedures. Unilateral implementation does not mean that the parties cannot continue meeting and conferring through to agreement, if possible.

CCPOA reasonably may request information which is relevant to the issue noticed and the State, in good faith, shall use its best efforts to fulfill such reasonable and relevant information requests. If the State believes CCPOA's information request to be unreasonable, or if CCPOA believes the State's response to an information request to be unreasonable, the "grieved party" may request to meet with the appropriate departmental Chief Deputy Director in an effort to resolve the problem. If the problem remains unresolved, either party may request the intervention of the Youth and Adult Correctional Agency CDCR Secretary and/or his/her designee Undersecretary, who shall determine the issue.

If either party believes the other party to be engaged in bad faith bargaining, either party may take the issue to the CDCR Agency Secretary or Undersecretary. Nothing in this Agreement will prevent either party from filing a complaint with PERB.

- D<sup>2</sup>. The CDCR/DMH and CCPOA agree that the Meet and Confer process has at times been viewed as cumbersome and inefficient. In an effort to modify this perception, the CDCR/DMH and CCPOA agree to the following:

---

[<sup>1</sup> Explanatory note to CCPOA: The language of this Subsection (C) incorporates existing language from Side Letter #10. As such, only modifications to the Side Letter #10 language appear in underline and strikethrough.]

[<sup>2</sup> Explanatory note to CCPOA: The language of this Subsection (D) incorporates existing language from Side Letter #8. As such, only modifications to the Side Letter #8 language appear in underline and strikethrough.]

During the term of the MOU, in the event the CDCR/DMH finds it necessary to make changes in areas within the scope of negotiations, and also believes that it has a business necessity to expedite the standard procedure for noticing CCPOA of such changes, or believes that the proposed change will have a diminimus impact on employees in Unit 6, then the CDCR/DMH may notify CCPOA and request a waiver of the thirty-day notice requirement and/or the necessity to Meet and Confer over the proposed change.

CCPOA is cognizant of the need of the CDCR/DMH to move quickly to implementation in some circumstances. Further, CCPOA is cognizant of the need to avoid unnecessary or excessive meetings on diminimus matters. On implementation of ~~†~~ This procedure, some of the possible outcomes could be: result in a waiver of the right to Meet and Confer, ~~;-~~ deferral to local negotiations, or waiver for implementation, but with post-implementation Meet and Confer over impact. The potential flexibility inherent in these procedures will meet the needs of the CDCR/DMH and CCPOA.

The CDCR/DMH Chief of Labor Relations or the CDCR/DMH Assistant Chief of Labor Relations will contact the CCPOA representative, as described below, and provide the following information regarding the proposed change: The nature of the proposed change, location of the proposed change, the proposed implementation date for such change, and an explanation why the proposed change is appropriate for notice under this Agreement.

CCPOA agrees to provide to CDCR/DMH a prioritized list of CCPOA employees to whom telephonic notice may be conveyed under this procedure. The CDCR/DMH agrees to provide notice to the highest listed individual who is available to take the call. This telephonic contact must then be confirmed in writing by both the CDCR/DMH and CCPOA.

This expedited procedure does not apply to matters covered by the MOU.

- E. If the parties are in disagreement as to whether a proposed change is subject to this subsection, such disagreement may be submitted to the arbitration procedure for resolution. The arbitrator's decision shall be binding.
- F. Consistent with the express terms of this section, ~~†~~ in the event negotiations on the proposed change are undertaken, any impasse which arises may be submitted to mediation pursuant to Section 3518 of the Ralph C. Dills Act.
- G. Unless otherwise provided herein, or unless changed by mutual agreement, there shall be no diminution of existing wage rates and substantial monetary employee benefits during the term of this Agreement. Provided, however, the parties agree to mMeet and cConfer over alternatives to layoff and/or other unforeseen economic crises.

#### **SIDELETTER #5 – Regarding Section 27.01 – Entire Agreement**

~~All existing agreements negotiated pursuant to the Entire Agreement clause of previous MOU's (27.01 or 19.01), or pursuant to the Ralph C. Dills Act, are made a part of this MOU. If the provisions of any existing agreement are inconsistent with this MOU, this MOU supercedes the inconsistent provisions.~~

### **SIDELETTER #8 — Regarding Section 27.01 — Notice Requirements<sup>3</sup>**

The CDC and CCPOA agree that the Meet and Confer process has at times been viewed as cumbersome and inefficient. In an effort to modify this perception, the CDC and CCPOA agree to the following:

During the term of the MOU, in the event the CDC finds it necessary to make changes in areas within the scope of negotiations, and also believes that it has a business necessity to expedite the standard procedure for noticing CCPOA of such changes, or believes that the proposed change will have a diminimus impact on employees in Unit 6, then the CDC may notify CCPOA and request a waiver of the thirty day notice requirement and/or the necessity to Meet and Confer over the proposed change.

CCPOA is cognizant of the need of the CDC to move quickly to implementation in some circumstances. Further, CCPOA is cognizant of the need to avoid unnecessary or excessive meetings on diminimus matters. On implementation of this procedure, some of the possible outcomes could be: Waiver of the right to Meet and Confer; deferral to local negotiations, or waiver for implementation, but Meet and Confer over impact. The potential flexibility inherent in these procedures will meet the needs of the CDC and CCPOA.

The CDC Chief of Labor Relations or the CDC Assistant Chief of Labor Relations will contact the CCPOA representative, as described below, and provide the following information regarding the proposed change: The nature of the proposed change, location of the proposed change, the proposed implementation date for such change, and an explanation why the proposed change is appropriate for notice under this Agreement.

CCPOA agrees to provide to CDC a prioritized list of CCPOA employees to whom telephonic notice may be conveyed under this procedure. The CDC agrees to provide notice to the highest listed individual who is available to take the call. This telephonic contact must then be confirmed in writing by both the CDC and CCPOA.

This expedited procedure does not apply to matters covered by the MOU.

### **SIDELETTER #9 — Regarding Expedited Arbitration For Alleged Violation Of Section 27.01**

The Settlement Agreement between CCPOA, DPA and CDC, dated January 7, 1990, regarding expedited arbitration for alleged violations of Section 19.01, shall be extended through the term of this Agreement pursuant to paragraph 8 of Arbitrator Kathy Kelly's Award.

### **SIDELETTER #10 — Regarding Section 27.01 — Bargaining Requirements — Entire Agreement<sup>4</sup>**

Once the State has noticed CCPOA pursuant to the Entire Agreement clause of the MOU (Section 27.01) and has fulfilled any reasonable CCPOA request for information, which is relevant to the issue noticed, the State and CCPOA agree to mutually engage in good faith bargaining for at least a thirty (30) day period of time. This, in part, means each side will Meet and Confer as often as necessary to potentially reach agreement. Both sides agree to work extended hours if necessary. If after the expiration of the thirty (30) day calendar period, the parties have failed to come to an agreement, the State may unilaterally implement the proposed change, including any items tentatively agreed upon up to that point in bargaining, without engaging in the Dills Act impasse procedures. Unilateral implementation does not mean that the parties cannot continue meeting and conferring through to agreement, if possible.

If the State believes CCPOA's information request to be unreasonable, or if CCPOA believes the

State's response to an information request to be unreasonable, the "grieved party" may request to meet with the appropriate departmental Chief Deputy Director in an effort to resolve the problem. If the problem remains unresolved, either party may request the intervention of the Youth and Adult Correctional Agency Secretary or Undersecretary, who shall determine the issue.

If either party believes the other party to be engaged in bad faith bargaining, either party may take the issue to the Agency Secretary or Undersecretary. Nothing in this Agreement will prevent either party from filing a complaint with PERB.
